# In-Kind Donation Report

Thank you for your outstanding help in making JAVC an enormous success. We now need your input to continue this labor of love. As we plan our future, we are going to reach out to more local and national organizations and show them all the fine work you did to make this happen and request that they also help us. One way of getting their attention is to tell them about the In-Kind products and services you donated; the number of volunteers' hours you and your friends contributed doing it and the miles you drove getting everything together to support our Events.

This is not the time to be shy and bashful. We are so proud of your work and want to let all of our current and future sponsors know the great job you did. Please help us put the numbers together. We are not looking for perfection, estimates are OK. *(The information you provide on this form is not intended for IRS use. Talk to your Tax accountant or the IRS on the official 501(c)(3) tax deduction forms .)*
