

HSD/HOLISTIC CASE MANAGEMENT PROGRAM

Helping People Help Themselves

The purpose of case management is to aid clients in becoming economically self-sufficient.

The case manager plays an advocacy role and assists the clients in seeking employment, finding adequate housing, and overcoming obstacles to independence and self-sufficiency.

- ◆ Do to very limited funding, our call in day process has been eliminated.

If you are interested in case management only without any financial assistance (rent/mortgage assistance) please call for an appointment:
