WIOA Adult Program

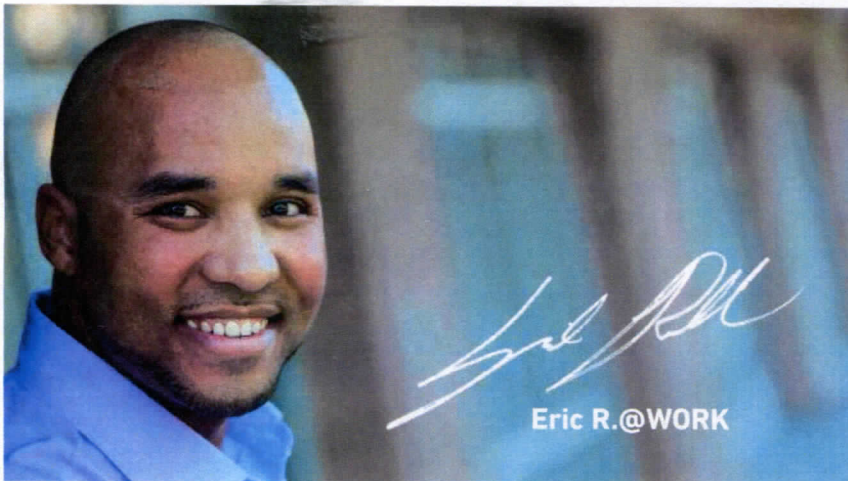

Services for Job Seekers

The Workforce Innovation and Opportunity Act-funded program for adults assists unemployed or underemployed individuals to implement their career plan and obtain a job earning a living wage. This program has eligibility criteria.

The ARIZONA@WORK Job Center Orientation is the first step toward enrollment in the Adult Program. Through the Seven Steps to Work Readiness workshops series, participants do self-exploration to determine their skills, strengths and barriers. Plus they fine tune their career goals.

Sometimes the barriers to employment are so significant that people need more than this basic assistance to be successful. For eligible individuals, the WIOA Adult Program may be able to provide needed support and or occupational skills training to make employment plans a reality.

The program goal is for all area job seekers to be @WORK!

INNOVATIVE WORKFORCE SOLUTIONS
