

# PREPARE FOR A CAREER IN MANUFACTURING AS A PRODUCTION TECHNICIAN

This program is designed to provide Manufacturing Skill Standards Council (MSSC) nationally recognized certification for mastering the essential skills and knowledge of manufacturing production.

Four core competencies are taught:

- Manufacturing Processes and Production
- Maintenance Awareness
- Quality Practices and Measurement
- Applied Technical Mathematics & Measurement

Once all four individual certifications are achieved the umbrella Certified Production Technician certificate is earned. The program will be taught at MCC beginning March 23rd. Tuition may be paid for eligible individuals through Workforce Innovation and Opportunity Act funding.
